Enago - Client Testimonials

“ *Hochwertige Bearbeitung. Ich bin völlig zufrieden mit Enagos bisheriger Leistung. Ich habe zuvor die Korrekturleistungen anderer Firmen in Anspruch genommen, aber diese haben sich nur auf die Beseitigung kleiner Fehler wie den richtigen Artikelgebrauch beschränkt. Für mich macht es keinen Sinn, so viel Geld für die Verbesserung kleiner Fehler auszugeben. Enagos Überarbeitung im erweiterten Lektorat verbessert die Satzstruktur und ersetzt Begriffe, so dass der Text deutlicher wird und Informationen von einem Absatz zum nächsten logisch ineinander überfließen. Alle Bearbeitungen werden sorgfältig ausgeführt ohne die Grundgedanken der Autoren zu verändern. Enagos Beitrag ist für Nicht-Muttersprachler, die auf dem globalen akademischen Markt aktiver werden wollen, sehr erwünscht.*

 **Daniel Wohlfarth, University of Bonn**
Grad. Student (Doctor Course), Germany

“ *Meiner Meinung nach können verlässliche Korrektur- und Lektoratsleistungen nur von englischen Muttersprachlern ausgeführt werden. Deshalb vertraue ich Enagos Korrekturservice Englisch, denn er ist sowohl fachkundig als auch schnell. Enago kann Wissenschaftlern und Forschern, deren Muttersprache nicht Englisch ist, wertvolle Unterstützung anbieten. Ich schätze die Qualität der Bearbeitung, die Genauigkeit der Lektoren und die detaillierten Anmerkungen zu den Korrekturen. Enago verfügt auch über einen guten Kundenservice, der immer alle Fragen promptly beantwortet und sicherstellt, dass alle meine Dateien pünktlich geliefert wurden. Ich kann Enagos Korrekturservice Englisch allen fremdsprachlichen Forschern und Autoren wärmstens empfehlen.*

 **Olga Blau, Charité University School of Medicine**

“ *Moderne und professionelle Internetpräsenz. Übersichtlich, man findet schnell alles was man braucht und sucht.*
